

EUROPEAN BOARD OF NEURORADIOLOGY

EUROPEAN DIPLOMA IN NEURORADIOLOGY

This is to certify that

Alexander Rieke

having fulfilled the required criteria and satisfied at the final examination

on September 13, 2017

has been awarded the

European Diploma in Neuroradiology (EDiNR)

by the European Board of Neuroradiology (EBNR).

This qualification attests a standard of neuroradiological knowledge
deemed appropriate by the ESNR for independent practice
in Neuroradiology, based on the established ESNR Training Curriculum.

Prof. Alex Rovira

ESNR President

Prof. E. Turgut Tali

EBNR CEO

EDiNR090-2017

September 2017 | Malmö, Sweden

Endorsed by the European Society of Neuroradiology (ESNR), Diagnostic and Interventional, and the ESR
