

Diploma ^{European} in Cardiac Radiology

This is to certify that

Nadine Kawel-Böhm

having satisfied the examination requirements on March 9, 2013,
has been awarded the European Diploma in Cardiac Radiology
by the European Board of Cardiac Radiology (EBCR)
of the European Society of Cardiac Radiology (ESCR).

This qualification is endorsed by the European Society of Radiology (ESR)
and attests a standard of skills for independent practice in Cardiac Radiology.

Valentin E. Sinitsyn
ESCR President

Jens Bremerich
EBCR Chairman
