

EUROPEAN DIPLOMA IN NEURORADIOLOGY

This is to certify that

Claude Nauer

having fulfilled the required criteria

has been awarded the

European Diploma in Neuroradiology (EDiNR)

by the European Society of Neuroradiology (ESNR),

Diagnostic and Interventional.

This qualification attests a standard of neuroradiological knowledge
deemed appropriate by the ESNR for independent practice in
Neuroradiology, based on the established ESNR Training Curriculum.
